

Exclusive for 2022 **Best Of** WINNERS only!

As a winner of the 2022 **Best of** Readers' Choice Awards, we invite you to participate in the **Best Of "Winners Only" Stories** section coming this November.

OUR READERS WANT TO KNOW YOU BETTER!

When you are featured in the **Best Of "Winners Only" Stories** section, our readers will get to know who is behind your brand, and how your services and products influence their lifestyle. This unique style of marketing is an excellent way to introduce your business to a select community audience.

Your story in the **Best Of "Winners Only" Stories** section includes a staff writer who will highlight your business in a story format, and we'll even bring in a professional photographer to ensure the community gets to know you personally.

As a special bonus and at no additional cost, your story will be sponsored on *livingmagazine.net* for one year.

Sincerely,
The Living Magazine Team
